Grade Policy: There will be 3 exams in class, with no makeups given under any circumstances. In addition, there will be one pop quiz randomly given each week. After throwing out the two poorest scores from these quizzes, the remaining scores will be combined to give one additional exam score. The final will consist of two separate exams, one covering the first half of the course and the other covering the second half of the course. At the end of the semester you will have a total of 6 scores (3 in class exams, 1 score based on the quizzes and 2 final exam scores). Your grade will be determined by averaging the best 4 scores from your total of 6 scores. Remember: no makeups, no cheating and no talking in class except for questions (which I strongly encourage). Homework will be assigned daily but will not be used in determining your grade.

Important Dates: January 15, Monday, Martin Luther King Jr. day. University holiday; February 21, Wednesday, Last day to declare pass-fail intentions. Last day to drop a course and receive an automatic W; March 10, Saturday, Noon, classes dismissed for spring vacation; March 19, Monday, Classes resume; April 16, Monday, Day of no classes; April 24-30, Tuesday-Monday, Period of no examinations except for make-up exams or scheduled lab exams; April 27, Friday, Last day to drop a course; Friday May 4 from 1:30 P.M. to 4:00 P.M. Period of final exam.

ADA Accommodations and Religious Observance: Any student who, because of a disability, may require special arrangements in order to meet course requirements should contact me as soon as possible to make necessary arrangements. The instructor may request verification of need from the Dean of Students Office. A student who must miss an exam due to observance of a religious holy day must notify the instructor in advance of all such dates no later than the 15th day after the first day of class.
